## **DETAILED ACTION**

## NOTICE OF NON-COMPLIANT/RESPONSIVE AMENDMENT:

The reply filed on 04/14/06 is not fully responsive to the prior Office Action because: Applicant's reply received April 14, 2006 is not deemed to be fully responsive to the prior office action because the amendment filed on 4/14/06 still present method claims which was drawn to a non-elected invention. The status identifier of these claims (claims 23-24, 26-27, 29-30, 32, 36 and 40-41) must indicate as "Withdrawn". Also, newly claims 42-51 are subsequently added but fails to indicate, which claims are readable thereon as required under 35 U.S.C. 121.

Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
